WE MISS THEM ALREADY!

Bernice Butler-Skinner

The class of 1990 would like to wish great happiness and best of luck to our teachers who retired this year and to those who have been transferred to other schools.

Miss Kennedy, our school librarian, has retired after 26 years at Roslindale/WRHS. She enjoys travel and theatre and plans to stay active doing volunteer work at a Parochial school.

Our music teacher, Mr. Charles Wright, has retired after many years in Boston to his "hometown", Charleston, South Carolina. He is teaching there part-time and is enjoying his role as an organist for a large Episcopal church. We'll miss his fine piano playing at our graduation ceremony.

Mr. Karl Siegfriedt of the Business Department has retired after more than 20 years at Roslindale/WRHS. Always with a smile and a friendly greeting on his lips, Mr. Siegfriedt will be missed by faculty and students alike.

Mrs. Bernice Butler-Skinner, better known as Mrs. B, is seen in the picture on this page at her gala retirement banquet at Pier 4 Restaurant on June 2, 1989.

Mr. Hettwer has returned to the Horace Mann School. In addition to teaching the hearing impaired students here at Westie, Mr. Hettwer also coached the Drama Club for two years.

Mr. Bayless was transferred to Dorchester High. He was a member of the Special Education Department as well as serving as housemaster.

Mrs. Carpenter, formerly Ms. McArthur, is teaching at the Thompson Middle School this year; she was a biology teacher here at WRHS for 5 years.

WESTIE SEES EXPANSION OF BILINGUAL PROGRAM

To everyone's surprise, the summer of '89 saw the sudden closing of several high schools. One result of these closings was the moving of the Haitian Bilingual Program from English High School to WRHS. The Greek Bilingual Program has always been at Westie, but now we welcome even greater cultural diversity to our school with this new addition.

All-Star Jermaine Woods

AN OUTSTANDING TEAM

The 1989 Westie Raiders got off to a slow start losing two of their first three games. Inexperience and numerous injuries caused many problems early on. However, through hard work and commitment by the players and coaches, Westie developed into an outstanding football team. Westie finished the season with a 7-2 record as the defense allowed only 6 points in the last eight games. The offense and special teams also excelled as Westie teams have won 30 of their last 32 games. League All-Stars include William Finley, Willie Lockhart, James Smith, Jermaine Woods, Alphonse Hall, and Darren McConnell. Willie Lockhart led the League in scoring with 86 points in nine games and he was a Division 5 All-Star. Jermaine Woods was selected as All-Scholastic defensive back.

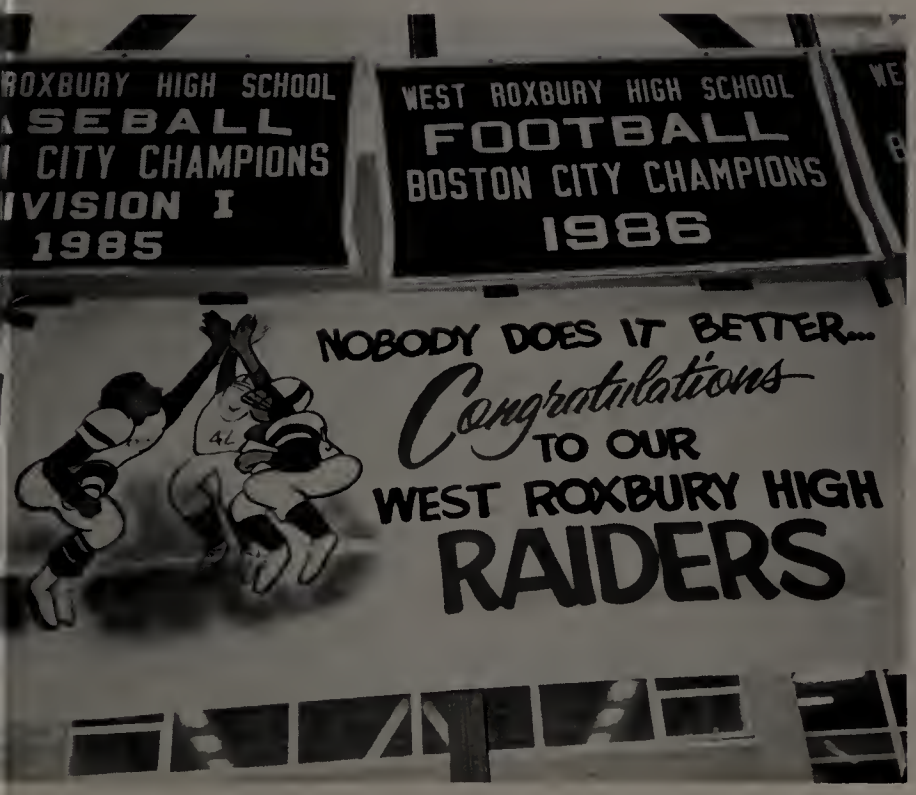
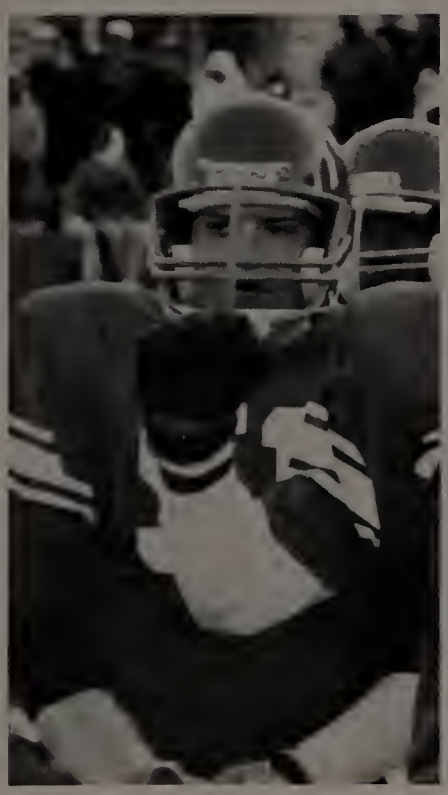
SUPERBOWL MEMORIES





BACK TO BACK CHAMPIONSHIPS

For the past two years the West Roxbury High Raiders, have captured the State Championship. In 1987 the Raiders defeated the Greater Lawrence Redgies with a final score of 14-0. The Following Year we were again victorious defeating the Greater Lowell Griffins, with a score of 12-6. Our team went undefeated for two years straight, giving us a record of 23-0. Westie now holds the record in the State of Massachusetts, the proud Raiders are currently #14 in the country.

The Westie Raiders is the only city team to win three Super Bowls in one decade. WRHS has truly been and always will be THE SCHOOL OF CHAMPIONS.

TWO RAIDERS MAKE ALL-STARS

Westie Raiders went 7-2-2, placing third in the city. Team Captain, Willard Gallimore, led the Raiders to a very productive year.

Gallimore, known for his white cleats (everyone else wears black), once again led the league in goals with 13; three shy from last year, and he has made the all-star team along with teammate rightwing Renauta Harrison. Although talented seniors like George Tsitinis, Gregory Garabedian, Kerry Davis and Patrick Maung will be missed, Westie's soccer team for '91 should be very successful with the help of this year's juniors.

BRIGHT FUTURE FOR WESTIE GIRLS

The Girl Basketball team of 89-90 was characterized by its youth. For the first time ever Westie started 3 sophomores. Chereese Boyd was the only senior and captain of the squad. She provided excellent leadership both on and off the court. Chereese has been in the program for four years. She was a key member of our City and State Tournament teams. Chereese is averaging 18 points a game and is a certain All-Star. Other members of the squad include point guard Danny Johnson, forwards Dellecha Mclaren and Gloria Cash, center Debra Morales, guards "Bernie" DeSouza, Angie Goodman, Lyneice Hagans, and Michelle Larkin.

The 1989-90 varsity played hard in their effort to win every game. Tri-captain Sean Fitzgerald was named to the Boston South All-Star team and both Rodney Sullivan and Troy Sims, the other tri-captains complemented Sean in the leadership role. Other seniors who contributed were Jermaine Woods, Anthony Cedeno, Troy Harris, Shaun Davis, Fred Gomes and Antonio Coleman. The improvement of juniors Reynaldo Garcia and Gerry Joseph should pay off next year.

WINTER OR SPRING LET THE GAMES BEGIN

The boys' spring track team coached by Mr. Holland finished third in the South Division with a record of 6-2, and the girls finished second. This fall the returning captains Janette Cameron, Glenda Williams, and Trina Johnson coached by Mr. Glenn, led their team to the division championship for a second year in a row. The boys indoor team led by captains Obed Alce, Renauta Harrison, and Willard Gallimore did their best in six years ranking #2 city and #1 in our league.

JV RECRUITS SPICE UP 1990 SEASON

The Raider season of 1989 saw an overall record of 9-7 and league record of 8-6.

With good pitching and good hitting, the spring of '90 looks good. With the efforts of veterans Gary Conway, James Smith, and Shawn Scales; combined with the eager and able prospects from the junior varsity program — Walter Bonilla, Mark Schmidt, James Shone, and John Needham — we should have another good season and enjoy the Great American Pastime, Raider-style.

This house was built by a three-year-old girl with leukemia.

In 1969, little Kim Hill was diagnosed as having leukemia, forcing her to leave home to seek special medical attention. Endless commutes and sleepless nights in hospital waiting rooms led Kim's family to help develop the first Ronald McDonald House.®

Today, more than 100,000 families each year use a Ronald McDonald House as their home-away-from-home while their kids are treated in nearby hospitals. But it wouldn't be possible without the generous support of local businesses and community volunteers. If you'd like to contribute some time or money to our house here, please give us a call.

Because to a critically-ill child, having loved ones nearby is often the best medicine of all. Just ask 22-year-old Kim Hill.
